## BLOCK SIZING CHART

The following chart is designed to help you pick the best block radius to fit your pool radius. Please note that this is only a guide. It is always the contractor's responsibility to correctly measure pool radius and to order blocks accordingly. We strongly recommend cutting your bowl radius to match the available coping radius.

Block Radius	Pool Radius
4'	4'
6'	5'-6'
7'	7'
8'	8'
9'	9'
10'	9'-10'
12'	11'-13'
15'	13'-16'
22'	18'-26'
30'	28'-35'
40'	28'-50'
REVERSE RADIUS / HIP	
2'	2'
3'	3'
4'	4'
6'	5'-6'
8'	7'-8'
10'	9'-10'
12'	11'-13'
16'	14'-18'
30'	25'-40'
